## PROJECTS

### WEB DEVELOPMENT

**Easy Bank Landing Page**, The "Easy Bank Landing Page" is an engaging front-end mentor project that aims to create a visually appealing and user-friendly landing page for a fictitious online banking platform called "Easy Bank." As a front-end developer, this project provided me with an opportunity to enhance my HTML, CSS, and JavaScript skills by building a modern and responsive webpage. ### WEB DEVELOPMENT

**Make Remote Landing Page**, The "Make Remote Landing Page" is an exciting front-end mentor project that focuses on designing and developing a captivating landing page for a fictional remote work platform called "Make Remote." As a front-end developer, this project provided me with an opportunity to demonstrate my proficiency in HTML, CSS, and JavaScript by creating a modern and user-friendly webpage.
